

### *My Lord Will Come, Perhaps Today*

My Lord will come, perhaps today,  
To take his waiting church away,  
We'll be there by his side,  
To be his holy bride,  
My Lord will come, perhaps today.

My Lord will come, perhaps at noon,  
His coming, O, it must be soon,  
I'll see His lovely face,  
Bask in his warm embrace,  
My Lord will come, perhaps at noon.

My Lord will come, perhaps to-night,  
My faith will then give way to sight,  
My Saviour I'll adore,  
I'll praise him evermore,  
My Lord will come, perhaps to-night.

My Lord will come, loved ones shall rise,  
And we, shall meet them in the skies,  
All sorrows He'll erase,  
We'll sing "Amazing Grace"  
My Lord will come, no more goodbyes.
