

# My Blessed Redeemer

*Rowan Jennings*

My blessed Redeemer, how precious thou art  
Thy name shall forever, great riches impart.  
A perfect salvation, for eternity  
Lord Jesus I'll now sing of Thee.

My voice shall I raise, in anthems of praise  
Up there in the sky, forever and aye.  
My praises I'll bring, This song shall I sing  
All worthy, all worthy art Thou.

All glory to Father who sits on the throne  
And blesses forever all those who will own.  
The greatness of Jesus who died on the tree  
Lord Jesus I now sing of Thee.

Oh what shall it be in realms of the blest?  
When wearied with warring our souls shall then rest.  
And there to see thee Lord, so wondrously high  
This song I shall sing bye and bye.
