

Arise and Come Away

**When shall I hear the mighty cry
“Arise and come away”
And at that moment, in God’s time
We’ll enter realms of day.**

**There’ll be no grieving, toil, or pain
Nor sorrows evermore
But looking on the Lord of life
We’ll worship and adore.**

**Then hasten Lord that coming day
When faith gives way to sight
With all earth’s darkness ever gone
And then, “Eternal Light”.**
