

He Is Able

"He is able," sound the message!
All who come to God by Him.
He can save unto the utmost;
Take away their every sin.

"He can save, but can He keep me?"
Yes! The answer comes to you.
Paul could say that "He is able,"
Trust Him NOW and prove Him true.

Christ alone gives satisfaction,
Every other stream runs dry.
Living water He will give you,
Springing up to God on high.

With the message comes the warning,
"He is able to destroy."
Sinner! Turn, at once, to Jesus;
Flee the judgment, know His joy.

Oh! how blest the Christian's portion,
SAVED, and **KEPT**, and **SATISFIED**,
By that One who ever liveth,
Christ, the Father's glorified.
