

No Fault In Him

(John 19:4)

NO FAULT IN HIM! Oh hear God's voice
From opened heaven tell,
This is My Own Beloved Son
Who pleases Me so well.

NO FAULT IN HIM! His enemies
And followers agreed
That Jesus lived apart from sin
In thought and word and deed.

NO FAULT IN HIM! The people said,
He hath done all things well;
The deaf do hear, the dumb now speak
And love His praise to tell.

NO FAULT IN HIM! Hear Judas' words,
I've sinned indeed this day,
I know that He was innocent,
The Man I did betray.

NO FAULT IN HIM! Not one I find!
Thrice Pontius Pilate cried;
But yet by his consent, the Christ
Was mocked and crucified.

NO FAULT IN HIM! The fault's in me!
The dying thief confessed,
And owning Jesus Christ as Lord,
He entered into rest.

NO FAULT IN HIM! He righteous was,
Said the Centurion,
This Man I have seen crucified
Was truly God's own Son.

NO FAULT IN HIM! Now let me add
My testimony too;
He is my Saviour and my Lord,
He Faithful is and True.

NO FAULT IN HIM! In love He died
For you, and all mankind;
Trust Him today and you will say,
NO FAULT IN HIM I FIND!
