© My Saviour, Can It Be?

O my Saviour, can it be
That Thy blood was shed for me?
Can it be that I should gain
Pardon through Thy bitter pain?

All my sins were on Thee laid,
All my debt is fully paid,
And with wonder I retrace
All that is secured through grace.

Pardon is my portion now,
Peace that nought can overthrow,
Brightly in my heart to burn
Promise of Thy soon return.

Hasten, Lord, that happy day,
Call my heart from earth away,
Even now to watch and yearn
For my blessed Lord's return.
