

## *Rejoice!*

**Rejoice! although the sky is dark,  
And grievous trials assail you;  
Rejoice! for God is by your side;  
His love will never fail you.**

**Rejoice! when friends have let you down  
And you are all alone;  
Rejoice! for God has not forgotten;  
He watches from His throne.**

**Rejoice! for each new day that dawns,  
No matter what it brings,  
The heart that trusts in God alone,  
Even in deepest sorrow sings.**

*.... M. Baker*

*This is the day which the Lord hath made;  
we will rejoice and be glad in it.*

*Psalm 118:24*
