

THE BIBLE IN VERSE

... by Alvy E. Ford

2 TIMOTHY

CHAPTERS 1 TO 4

Chapter 1

Paul prays for Timothy, wishes him near.
God has not given the spirit of fear.
Be not ashamed of the Word of the Lord.
Paul knows the Saviour, for whom he is scorned.

Chapter 2

Therefore, be strong, taking hardship in stride.
If we deny Him, we shall be denied.
Study to show yourself rightly approved.
Have a foundation that cannot be moved.

Chapter 3

Perilous times shall appear in the end,
Fraught with the dealings of self-centered men.
All that live godly shall suffer reproach.
Scripture is given to channel and coach.

Chapter 4

Preach the Word instantly; offer reproof.
Being deceived, men will turn from the truth.
See that your preaching bears fruit evermore.
Paul's course is finished; a crown is in store.
