

THE BIBLE IN VERSE

... by Alvy E. Ford

TITUS

CHAPTERS 1 TO 3

Chapter 1

Titus, in Crete, is to finish his job,
Choosing responsible stewards of God.
Cretians are bestial, deceitful, and base.
Sharply rebuke them, establish their faith.

Chapter 2

Old men, be temperate, patient, and grave.
Old women, teaching the young to behave.
Young women, loving, good keepers at home.
Young men, be sober, the world must be shown.

Chapter 3

Be in subjection to rulers and powers.
Free is salvation; by grace it is ours.
Every believer should live a good life.
Shun foolish questions, contentions, and strife.
