#### **CHAPTERS 1 TO 3**

##### **Chapter 1**

God will consume all the flesh of the land.  
Lo, the great day of the Lord is at hand:  
Day of destruction and darkness and fright.  
None shall escape from its terrible blight.

##### **Chapter 2**

Seek you the Lord, all you meek of the earth;  
Thus you may hide in the day of the dearth.  
Yet shall the heathen be smitten and torn.  
Yet shall their nations be wasted and shorn.

##### **Chapter 3**

Woe to the city which stoops to oppress.  
There in the midst is Jehovah to bless.  
Yet she refuses to trust in her God;  
Therefore the wicked must suffer His rod.
