

## **THE BIBLE IN VERSE**

*... by Alvy E. Ford*

### **HAGGAI**

#### **CHAPTERS 1 TO 2**

##### **Chapter 1**

Nation has planted with little return.  
Haggai exhorts that the people may learn.  
They have neglected the temple to build;  
Therefore they labor without being filled.

##### **Chapter 2**

Temple is nothing compared to the first;  
Yet go on working not fearing the worst.  
Now that the people are giving their best,  
God will pour out and the land will be blessed.
