Can Things Get Much Worse?

Introduction

As I write this on the November 23rd, 2020 and listening to the news from across the world, like thousands of others I wonder, how much worse can things get? The corona virus pandemic is sweeping across the world. It is not only taking thousand of lives but leaving thousands without jobs and seemingly helplessness of governments. It seems that never has there been such wildfires in Australia or California and earthquakes in places where they have never happened before. Besides all these things, there is all the talk of climate change etc. What is happening?

Sadly, instead of man looking to God in repentance, in man's foolishness he thinks that by brainstorming the elite of earth they will find the answer. Seeking to determine the best way to go and by using natural forces and the pandemic to cover their real ambitions, these intellectuals are calling for "A great Reset". It is a complete control over every individual which is now being gently introduced by the wearing of masks, staying in our homes etc. Out of fear of disease we are complying with the local governments. The deception is so brilliant that they are presenting mandates as governmental laws (which in may places they are not) and are using the mandates as a way to be wise.

Seeking to bring about the desired goal, a meeting of the world's elite including Prince Charles, Bill Gates, Soros in Devos in June 2020, it was decided there had to be a rechanging of basically all we have known. They have openly said that the present pandemic is the perfect opening to bring in a new order of things calling it, "The Great Reset". This "resetting" is in conjunction to an extent with the religions of the world. Recently the Pope, meeting with the top Islam leaders and Warren had a meeting with the Islam leader to create a religion called "Chrislam". Signalling his acceptance of globalism, Pope Francis has invited leaders to sign a "Global Pact" to create a "new humanism." The global event took place at the Vatican on May 14, 2020. The theme was, "Reinventing the Global Educational Alliance". There is also the World Government Summit, an annual event held in Dubai. Its focus is to bring together leaders in government for a global dialogue about governmental process and policies with a focus on the issues of futurism, technology, the green deal, universal equality and innovation.

What these national leaders fail to understand is that they are setting the stage for that which the Lord foretold two thousand years ago. In the books of Daniel and Revelation God reveals that there is going to come a unification of nations, particularly kings, to formulate a one world order. It will be greatly assisted by the unification of the world's religions, known today as the Ecumenical Movement, which began in the 1800s. It will be a rebellious world set against the rights and purposes of God and will seek to bring in the state of utopia. God will be banished in every way and as long as the individual submits to one world ruler, all will be well. There will be a singular individual who will be worshipped, for there will be one universal religion. Those who do not accept it will be put to death. It will dominate man by having all who want to buy or sell having a mark on their hand or forehead, and worship giving allegiance to the

Antichrist who will declare that he is God! There is coming a world of Islamic-Catholicism-paganism religion and a communistic-socialist universe.

On February 4th, 2020 President Trump in the state of the union address said, “We will never let socialism destroy American healthcare . . . Socialism destroys nations”. Who would have thought that less than one year later socialism would be getting ready to be in the White House? The scriptures inform us that behind the scenes are Satanic beings, fallen angels, demons, emissaries of Satan who have blinded humanity and are doing all they can to annihilate God from every facet of life. David wrote about this very thing in Psalm 2 some 2800 years ago, “Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us” (Psa. 2:2-3). Poor pathetic man, six foot of dust lifts his puny fist against the almighty, and God just laughs, and sees them as pathetic little nothings. David wrote, “He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure” (Psa. 2:4-5).

[Things will not get better but worse](#)

Let the matter be perfectly clear, things in the earthly realm are not as bad as they will get. The Scriptures inform us that as was in the Days of Noah, so it will be before the Lord comes in judgment on this wicked godless world. What we are seeing is a fast flowing river of moral and rebellious corruption in flood stage, surging over all that appears righteous, holy and Godly. One placard had on it recently, “If Jesus comes today we will kill him again”. I saw a bumper sticker saying, “Saving souls for Satan since 1979”. Anyone who would carry this placard, or would have this on their car, certainly is heading for eternal damnation. How bad are things today?

Due to living in a very localized world with a limited recollection, we do not see things in the long duration. Satan does not do things quickly but in tiny incremental steps that are almost unnoticed until it is too late. Then we wonder how did this happen? Like the story of the frog in the water, the water was cold to begin with and very slowly is heated until boiling point, but the frog just sits there, it had not noticed the increasing heat. The masses of humanity do not see what is happening.

If anyone wants to see how much worse things will get, then read the following and ask oneself, “Is this not happening today?” Consider the push against eating animal foods. Unwittingly, people are setting the stage, having become vegans, and its availability in fast food stores. Do the scriptures tell of this happening? Read the following and consider the last clause, “Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron; Forbidding to marry, and commanding to abstain from meats” (1 Tim. 4:1-4). Or, consider each clause of the next scripture, “This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce breakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, high-minded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof” (2 Tim. 3:1-5).

Anyone with eyes can see that is the moral condition of today. In the “Mail Online” there was the following headline: “Holland allows doctors to secretly sedate euthanasia patients who have dementia with sleeping pills to stop them becoming violent before lethal injections. The Dutch government has introduced new rules which will allow doctors to spike the drinks of patients with sleeping pills ahead of administering euthanasia drugs. The rules are intended to prevent patients from becoming violent ahead of their planned deaths.” We “oldies” are a drain on society, and if an individual is in such a state that there is no hope of recovery, they, like an animal, have outlived their usefulness, therefore euthanasia is the answer. A polite way of saying, “murder, kill, eradicate them”. But why should this astound us? Do they not slaughter little babies every day? Again, it is given a polite term “Abortion, the woman's choice, an induced miscarriage, planned parenthood”, but it is, in plain English, barbaric murder. If an individual was to take a pup about to be born and rip it apart limb from limb, there would be an outcry from society. Yet, according to the received figures, there are 83 abortions every minute. One little baby in being killed universally every four-seconds. What does God think when a country endorses the murder of the most innocent? Will He not judge for that?

Savagery is out of all comprehension. I recall in Belfast in 1955 there was the murder of Sammy Stranix. It shocked the North of Ireland and was a major topic of discussion for a long time. It was so dreadful because human life was sacred. Now there is scarcely a movie in which there is not rape, violence, horror, and viciousness. Where will it end? All one needs to do is see the brutal fighting inside the octagon when men or women seek to beat the other to a state of helplessness.

Let all who read and understand this, God has revealed that things will get a lot worse from three fronts.

- a) For the unsaved:
 - i) Things will get worse by the increasing severity of God’s judgment on increasing ungodly sinful arrogant and rebellious humanity.
 - ii) Things will get worse because as man gives greater subjection to Satan, his blasphemy, immorality and behaviour will go to depths we have not yet imagined.
- b) For the child of God (those who get saved after the rapture)
 - i) There will be increased tribulation unlike anything known ever before. For instance, in one country in Europe a parliamentary individual has suggested that in order to save the dwindling supplies of food, people should start to eat their own children. How utterly canabalistic man has become. How debased when they sell baby parts for a profit. Man has shut God out of His world and thinks he can reset the world system. Poor pathetic ignorant man, when a little bug less than the thickness of a human hair can bring enormous loss to every aspect of life. How much worse can it get? The next “Front Page” will tell why judgment will come, and the limitations God will put on humanity.

Conclusion

God is seeking to get man’s attention and strongly calling man to get ready to come face to face with him. There can be no escape, all small and great, rich and poor, knowledgeable and illiterate man and woman, employer and employee, millionaire or homeless individual, pagan or religious individual, wicked or a good living individual, all will stand before Him. There will be no smiling but fear and trembling. There will be no interest in thinking or speaking about the good old times. The only question on each mind is, “What will my eternal judgment be? To stand there in a state of complete hopelessness, being fully aware that the entrance to eternal damnation and Hell, an eternity of wailing and weeping is about to become real for me. No more prayers, never again have another opportunity for salvation. By ones own choice the individual shut the door of salvation and God accepted that as their final answer. How stubbornly foolish to, with self righteous determination, tell God “I’ll do it my way,” for God reminds all humanity, “There is a way that seemeth right unto a man, but the end thereof are the ways of death” (Prov. 16:25).

Today, at this moment, God offers salvation and the words of scripture reverberate across the thoughts of one’s mind, “Prepare to meet thy God (Amos 4:12). The decision is the individuals to make.

What will you do with Jesus?
 Who died on Calv’ry’s tree,
 Who gave His precious life-blood,
 That you might e’er be free
 From sin and condemnation,
 From fear of death and hell,
 And give you joy and gladness,
 And grace, His love to tell.

Oh what will your answer be?
 Where will you spend eternity?
